MESSAGE FROM FEDERAL MINISTER FOR IPC

Pakistan being a democratic Federation enjoys full confidence of its Federating units. In line with the constitution of the Islamic Republic of Pakistan, 1973, each Province plays its role in nation building without fear of domination/exploitation by the larger Provinces. All Federating units contribute towards formulation of national policies and resolution of issues confronting in the social, political, economic, and administrative fields. An Inter-governmental forum called “Council of Common Interests” through its deliberations serve the purpose of creating effective provincial harmony and unity between the Federation and the Provinces with a view:

- To act as a useful confidence building Forum between the Provinces and the Federation, and amongst the Provinces.
- To provide a mechanism for dialogue and debate so as to facilitate and resolve the policy issues in all fields of common national concern.
- To strive to meet the grievances of the people of smaller Provinces and to assure them that regardless of their small or big population they will neither be dominated nor exploited by the larger Provinces or the Federal Government.

2. I am proud to state that despite financial and other constraints, the Ministry of IPC maintained its focus on implementation of policies connected with social, political, economic and administrative fields between the federation and the Provinces.

3. Being the Minister In-charge of the Division, I feel that the Ministry is engaged in playing its role for strengthening of Federation in the country. I also appreciate the hard work and dedication of the officers and staff of the Ministry for accomplishment of sensitive constitutional assignments.

4. I hope that this publication will serve as an important reference book for the scholars, researchers and general public as well.

PART-III

COUNCIL OF COMMON INTEREST (CCI)

INTER PROVINCIAL COORDINATION (IPC) WING

3. Council of Common Interest (CCI)

The CCI Wing of IPC Division acts as a Secretariat of the Council of Common Interests since March, 2010 when the Prime Minister of Pakistan approved the transfer of all secretarial work of the Council of Common Interests from Cabinet Division to IPC Division. This wing is headed by the Additional Secretary (IPC) and is assisted by the Joint Secretary (CCI), Deputy Secretary (CCI) and three Section Officers i.e. Section Officers (CCI), (Progress) and (Committee).

Concept of the Council of Common Interests

2. The Council of Common Interests (CCI) was incepted under the provisions of the Constitution of Islamic Republic of Pakistan, 1973. The passage of 18th Constitutional Amendment has further strengthened its purview through the expanded role of CCI. The forum is headed by Prime Minister of Islamic Republic of Pakistan. It is an icon of federalism in the Country and provides the Federating Units (Provinces) an equal opportunity in the affairs of the federation.

3. In terms of Article 153(1) read with Article 154(2), the President of Islamic Republic of Pakistan appoints the Council on the Advice of the Prime Minister of Pakistan within 30 days of taking the oath of Prime Minister. The Council of Common Interests (CCI) is responsible to both the houses of Parliament i.e. Senate and National Assembly. Its report is annually laid before both the houses under Article 153(4).

Composition of CCI

4. The Council of Common Interests (CCI) was last reconstituted on June 25, 2013 as under:-

1.	The Prime Minister	Chairman
2.	The Chief Minister, Balochistan	Member
3.	The Chief Minister, Khyber Pakhtunkhwa	Member
4.	The Chief Minister, Punjab	Member
5.	The Chief Minister, Sindh	Member
6.	Pir Syed Sadaruddin Shah Rashidi, Federal Minister	Member

- | | | |
|----|---|--------|
| 7. | Lt. General (Retd.) Abdul Qadir Baloch,
Federal Minister | Member |
| 8. | Sardar Muhammad Yousaf,
Federal Minister | Member |

The Secretary IPC Division is the Secretary of the CCI.

Functions of the Council of Common Interests

5. In accordance with Article 154, the Council is responsible to formulate and regulate policies in relation to the matters enumerated in Part-II of Federal Legislative List (FLL) and to exercise supervision and control over related institutions. The decisions of the CCI are appealable only in the Joint Session of the Parliament.

6. Article 155 of the Constitution also extends the purview of CCI to the resolution of a dispute amongst federation and the federating units or among provincial governments regarding their rights on water from any natural source or reservoir and authorizes the Federal or the Provincial Government concerned to make a complaint to CCI. The CCI can either decide or recommend the President to set up a Commission consisting of persons having knowledge and experience in irrigation, engineering, administration, finance and law under the Pakistan Commissions of Inquiry Act, 1956.

7. As regards "Electricity", the Article 157 while authorizing Federal Government to construct a hydro-electric or thermal power installation in any province in consultation with that province, also authorizes the Provincial Governments to draw bulk supply from National Grid for transmission and distribute within the province; levy taxes on consumption; construct power houses and grid stations; lay transmission lines and also to determine electricity tariff within the Province. In case of any dispute in the matter, the Federal or Provincial Government can approach the CCI for resolution of the dispute.

8. Consequent upon the passage of 18th Constitutional Amendment in April 2010, important subjects relating to Federation have been added in the Federal Legislative List, Part-II, for consideration of the CCI. This has not only expanded the purview of CCI but also strengthened its role through introduction of the concept of participatory management, both by Federation and Federating Units. The CCI, therefore, considers all the issues and events related to the subjects enlisted in the Federal Legislative List (Part-II) whereas the subject

enlisted in Federal Legislative List (Part-I) are directly dealt by the concerned federal Ministries/ Divisions and decided by the Federal Cabinet. The subjects of Federal Legislative List (Part-II) are at Annex-I.

Meetings of the Council:

9. In accordance with Article 154 (3) of the Constitution, it is mandatory for the Council to meet at least once in ninety days. However, during the financial year 2015-16, the Council convened only two meetings i.e. on 29th February, 2016 and 25th March, 2016 wherein it deliberated upon vital issues and took decisions on the matters relating to the Federation, with the full participation of the provinces.
