## MESSAGE FROM FEDERAL MINISTER FOR IPC

Pakistan is a flourishing democratic Federation that enjoys active participation of its federating units. Under the Islamic Republic of Pakistan, 1973, each Province participates in nation building without fear of domination/exploitation by any other Province. The federating units contribute towards formulation of national policies and resolution of issues confronted in the social, political, economic, and administrative fields. Inter Provincial Coordination Committee (IPCC) was first set up on 8<sup>th</sup> November, 1992. The mandate of this Committee is to promote uniformity of approach in formulation of policies and their implementation by the Provinces and the Federal Government, in all fields of common national concern.

2. I am proud to state that despite financial constraints and other hurdles, the Ministry of IPC has maintained its focus on implementation of policies connected with social, political, economic and administrative fields between the Federation and the Provinces.

3. The Ministry has in its ambit promotion of sports and also deals with specific functions related to education, youth, tourism etc as entrusted under the Rules of Business. Being the Minister In-charge of the Division, I feel that the Ministry is engaged in playing its role for strengthening of Federation in the country, and provision of sports and education. I also appreciate the hard work and dedication of the officers and staff of the Ministry for accomplishment of sensitive constitutional and other assignments.

4. I hope that this publication will serve as an important reference book for the scholars, researchers and general public as well.

**EHSAN UR REHMAN MAZARI**  
Federal Minister  
for Inter Provincial Coordination

## FOREWORD

This Year Book has been prepared in pursuance of Rule 25 of the Rules of Business, 1973, related to the Ministry of Inter Provincial Coordination activities, targets and achievements, during the year. The Year Book is prepared for information of the Cabinet, Government functionaries, researchers as well as the general public.

2. The Inter Provincial Coordination Division initially came into existence on 24.12.1971. In compliance with the above statutory instructions, this Division prepared its first Year Book for 2007-08. This Year Book covers the financial year 2021-22. The objective of this Book is to keep the public informed about the important activities undertaken by this Division during the year.

3. It is hoped that this publication will serve as an important reference book for its readers.

4. I acknowledge and appreciate the efforts of the concerned officers of this Ministry in compiling this year book.

**AHMAD HANIF ORAKZAI**  
Additional Secretary (In-charge) PAS

## INTRODUCTION

Ministry of Inter Provincial Coordination was created initially on 24-12-1971, when it was headed by the Prime Minister himself. With intermittent interruptions, the Prime Minister of Pakistan approved the creation of a full Inter Provincial Coordination Division in the Cabinet Secretariat w.e.f. 19<sup>th</sup> March, 2007. The IPC related functions of the Cabinet Division were transferred to the Inter Provincial Coordination Division at the time of its creation. Subsequently, it was made a full fledged Ministry w.e.f. 3<sup>rd</sup> November, 2008. Due to 18<sup>th</sup> Amendment, the responsibilities of the Ministry of IPC have increased. Necessary amendments have been made in the Rules of Business, 1973 accordingly.

## VISION

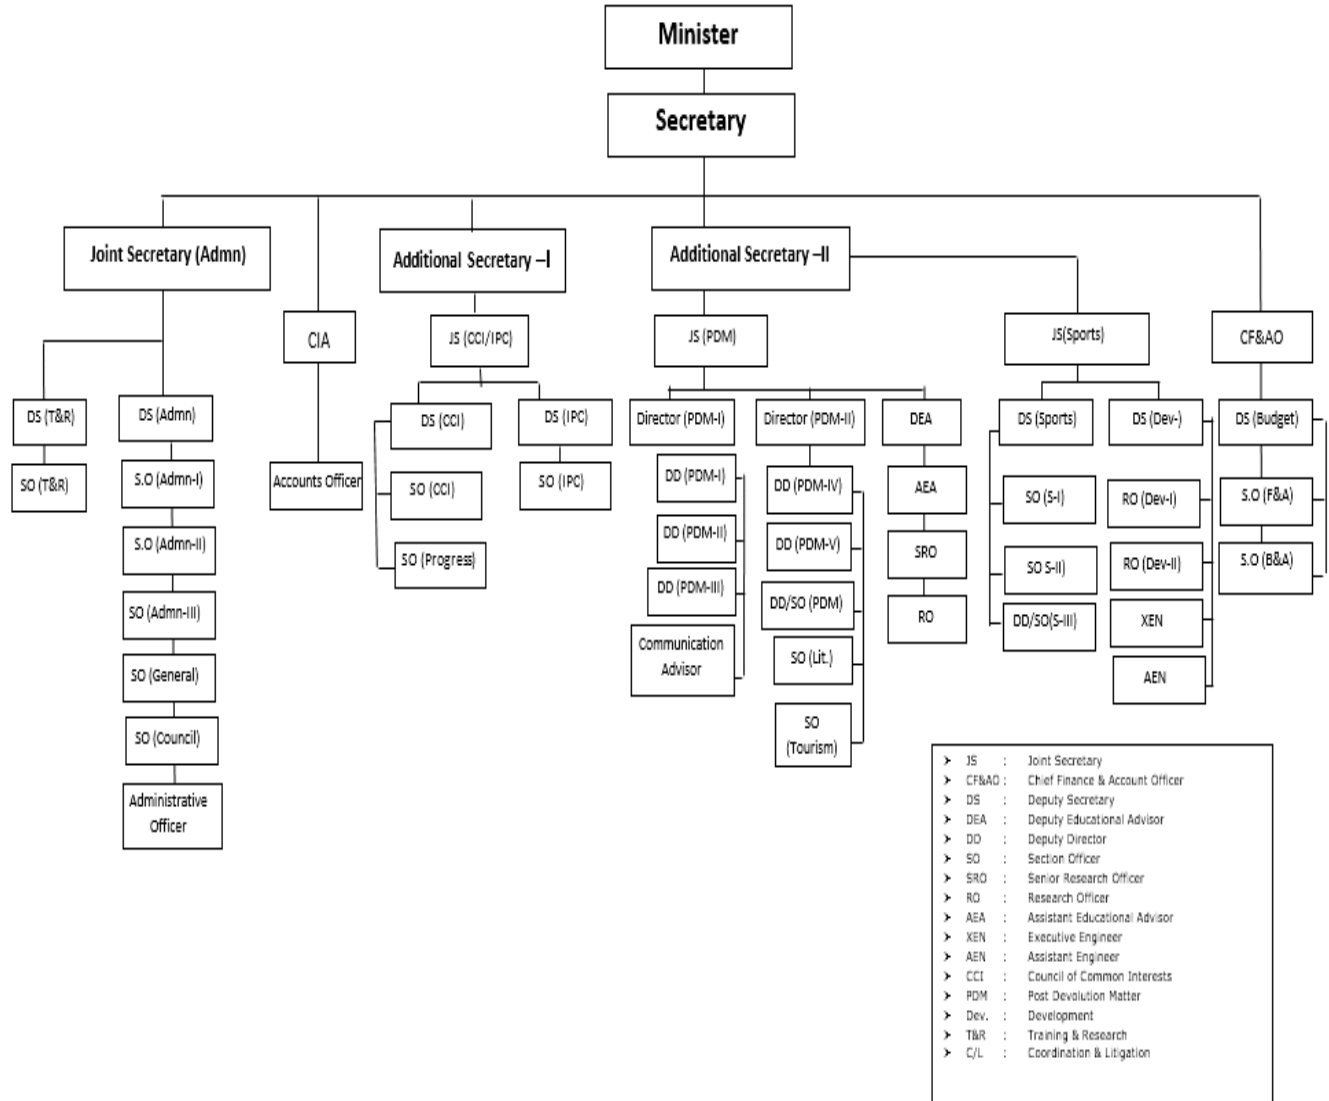

Pakistan, being a democratic Federation, enjoys full confidence of its Federating units. In line with the Constitution of the Islamic Republic of Pakistan, 1973, each Province should play its role in nation building without fear of discrimination by any other Province. All Federating units contribute towards formulation of national policies and resolution of issues being confronted in the social, political, economic and administrative fields. Inter-governmental for through their deliberations serve the purpose of creating effective provincial harmony as well as unity between the federation & the Provinces, promoting and developing uniform standards of sports competitions in Pakistan comparable to the standards prevailing internationally and regulating/controlling through Pakistan Sports Board; and arranging bilateral cultural exchange scholarship programs for Pakistani students in other countries.

## MISSION

- To act as a useful confidence building Forum between the Provinces and the Federation and amongst the Provinces.
- To provide a mechanism for dialogue and debate so as to facilitate and resolve the policy issues in all fields of common national interest.
- To strive to meet the grievances of the Provinces and to assure them that they will be treated equally.
- To achieve the purpose of coordination and harmony between the Federation and federating units for resolution of contentious issues.
- To control and promote sports in the country.
