BKI 72 SEP 2021 - Scholarship for Master's and Doctoral Degree Program in Thailand (Engineering and Technology) 2021

To whom it may concern,

Nice greetings from Sirindhorn International Institute of Technology (SIIT), Thammasat University, Thailand. SIIT offers International Programs in Engineering, Technology, and management with 100 % of the courses using English as medium of instruction. Please find more information on [www.siit.tu.ac.th](http://www.siit.tu.ac.th)

We would like to introduce the **Scholarship for Excellent Foreign Students (EFS) for Master/Doctoral Degree** to study in the areas of Engineering, Technology and Management at Sirindhorn International Institute of Technology.

Please see more information of the scholarships from the attached files and from SIIT website (<https://www.siit.tu.ac.th>). We would greatly appreciate it if you would forward this information to the educational institutions in your network, and promote this scholarship to students in your country.

Please note that the closing date of application for semester 2/2021 (January 2022 semester) is **30 September 2021**. Interested students can apply via the SIIT online application:

For Master/Doctoral Degree Program <https://graduateadmissions.siit.tu.ac.th/index.php/applicant/?scholarship=EFS>

Programs offered at SIIT:

<http://www.siit.tu.ac.th/academics.php?sid=37&ssid=30>

Our office is the center for SIIT International students, then you may ask the students or university representative to contact us directly if they need further information regarding campus life or further requirements e.g. dormitory booking, pick up service, international student activities.

Please feel free to let us know if you have further questions or requirements. We are looking forward to welcome students from your country to study at SIIT soon.

**\*\* Sorry if you are not a person in charge, and kindly forward to the related person for this matter \*\***
