MESSAGE FROM FEDERAL MINISTER FOR IPC

Pakistan is a flourishing democratic Federation that enjoys active participation of its federating units. Under the Islamic Republic of Pakistan, 1973, each Province participates in nation building without fear of domination/exploitation by any other Province. The federating units contribute towards formulation of national policies and resolution of issues confronted in the social, political, economic, and administrative fields. An Inter-governmental forum called “Council of Common Interests” serves the purpose of creating effective provincial harmony and unity between the Federation and the Provinces with a view:

- To act as a useful confidence building Forum between the Provinces and the Federation, and amongst the Provinces.
- To provide a mechanism for dialogue and debate so as to facilitate and resolve policy issues in all fields of common national concern.
- To strive to meet the grievances of the people of smaller Provinces and to assure them that regardless of their small or big population, their rights are not appropriated by any larger Province or the Federal Government.

2. I am proud to state that despite financial constraints and other hurdles, the Ministry of IPC has maintained its focus on implementation of policies connected with social, political, economic and administrative fields between the Federation and the Provinces.

3. The Ministry has in its ambit promotion of sports and also deals with specific functions related to education etc as entrusted under the Rules of Business. Being the Minister In-charge of the Division, I feel that the Ministry is engaged in playing its role for strengthening of Federation in the country, and provision of sports and education. 4. I hope that this publication will serve as an important reference book for the scholars, researchers and general public as well.

SPORTS ACHIEVEMENTS / SCENARIO IN 2020-21

The year 2020-21 has been a year of ups and downs as many sporting events around the world have been postponed or cancelled because of the COVID-19 pandemic. Under such conditions, sports in Pakistan has badly affected resulted into less sports events at National & International level.

It was unfortunate that the Summer Olympic Games-2020, scheduled to open in Tokyo on 24th July, were postponed due to COVID-19 pandemic. The Games were rescheduled to 2021. It is the first time in their 124-year modern history that the Olympics have been moved or delayed during peacetime. The Summer Olympics have been cancelled three times before in 1916, 1940, & 1944 and the Winter Olympic Games have been canceled twice, in 1940 & 1944, during the World Wars. The 1920 Summer Olympics were held in Antwerp, Belgium from April to September at the tail end of the 1918 Influenza pandemic. The 2016 Summer Olympics were held in Rio de Janeiro, Brazil despite the outbreak of the mosquito-borne Zika virus. Unlike the Zika virus, however, the corona virus that causes COVID-19 can be easily transmitted between humans. COVID-19, as like on the other countries, wreaked havoc on Pakistan sports also. Numerous events were canceled and others rescheduled. This, in turn, has reduced audiences, viewership and revenues in 2020-21. However, Government / Pakistan Sports Board tried it's the best to continue sports activities at the possible levels and distributes cash incentives among the medal winners.

Arshad Nadeem, a 24-year-old athlete, made the nation proud after becoming the first Pakistani athlete to directly qualify for the Tokyo Olympics. The global sporting event, which was earlier scheduled to be held in July, was postponed to 2021 due to the Corona virus pandemic. Arshad Nadeem improved his South Asian and national record by winning a gold medal in the Imam Reza Athletics Cup, held from 11-12 April, 2021 in Mashhad, Iran by throwing 86.38 meters in the javelin throw event. With this throw, Arshad Nadeem also improved his South Asian Games and national record.

Three Pakistani shooters Khalil Akhtar, Ghulam Mustafa Bashir and Gulfam Joseph will take part in the postponed Tokyo Olympics in 2021 after qualifying for the mega event in 2019. Akhtar was

the first to qualify for the Olympics and will be representing Pakistan in the rapid-fire pistol event. Bashir qualified after winning the Olympic quota for Pakistan in the rapid fire category. Joseph, who is only 19 years old qualified for the air pistol event for the Olympics.

Seven member Pakistan Equestrian team participated in the World Cup Qualifiers of the Equestrian Tent Pegging Championship, 2021 in India from 10-15 March, 2021. Rank-wise, Imtiaz Hussain won a gold medal secured 42 points in the individual Lance competition. Nepal's Kepil won silver with 38 points, while India's Jena bagged a bronze medal with 34.5 points. In overall statistics, Pakistan secured second position with 124 points and Nepal at third with 121 points. The Indian team held the top spot with 126.5 points. Besides India, Pakistan and Nepal, teams from Belarus and the United States of America competed in the three-day competition.

Pakistan's -100kg Judoka Shah Hussain Shah participated in Antalya Grand Slam played in Turkey from 30th March to 4th April, 2021. He got a bye in the first round and lost his second fight against Khurramov in an epic judo show but got much needed points to improve his ranking.
