MESSAGE FROM FEDERAL MINISTER FOR IPC

Pakistan is a flourishing democratic Federation that enjoys active participation of its federating units. Under the Islamic Republic of Pakistan, 1973, each Province participates in nation building without fear of domination/exploitation by any other Province. The federating units contribute towards formulation of national policies and resolution of issues confronted in the social, political, economic, and administrative fields. An Inter-governmental forum called “Council of Common Interests” serves the purpose of creating effective provincial harmony and unity between the Federation and the Provinces with a view:

- To act as a useful confidence building Forum between the Provinces and the Federation, and amongst the Provinces.
- To provide a mechanism for dialogue and debate so as to facilitate and resolve policy issues in all fields of common national concern.
- To strive to meet the grievances of the people of smaller Provinces and to assure them that regardless of their small or big population, their rights are not appropriated by any larger Province or the Federal Government.

2. I am proud to state that despite financial constraints and other hurdles, the Ministry of IPC has maintained its focus on implementation of policies connected with social, political, economic and administrative fields between the Federation and the Provinces.

3. The Ministry has in its ambit promotion of sports and also deals with specific functions related to education etc as entrusted under the Rules of Business. Being the Minister In-charge of the Division, I feel that the Ministry is engaged in playing its role for strengthening of Federation in the country, and provision of sports and education. I also appreciate the hard work and dedication of the officers and staff of the Ministry for accomplishment of sensitive constitutional and other assignments.

4. I hope that this publication will serve as an important reference book for the scholars, researchers and general public as well.

Dr. Fehmida Mirza
Federal Minister
for Inter Provincial Coordination

1. INTRODUCTION

With intermittent interruptions, the Prime Minister of Pakistan approved the creation of a full Inter Provincial Coordination Division in the Cabinet Secretariat w.e.f. 19th March, 2007. The IPC related functions of the Cabinet Division were transferred to the Inter Provincial Coordination Division at the time of its creation. Subsequently, it was made a full fledged Ministry w.e.f. 3rd November, 2008. Due to 18th Amendment, the responsibilities of the Ministry of IPC have increased. Necessary amendments have been made in the Rules of Business, 1973 accordingly.

Inter governmental fora through their deliberations serve the purpose of creating effective provincial harmony as well as unity between the federation & the Provinces, promoting and developing uniform standards of sports competitions in Pakistan comparable to the standards prevailing internationally and regulating/controlling through Pakistan Sports Board; and arranging bilateral cultural exchange scholarship programmes for Pakistani students in other countries.

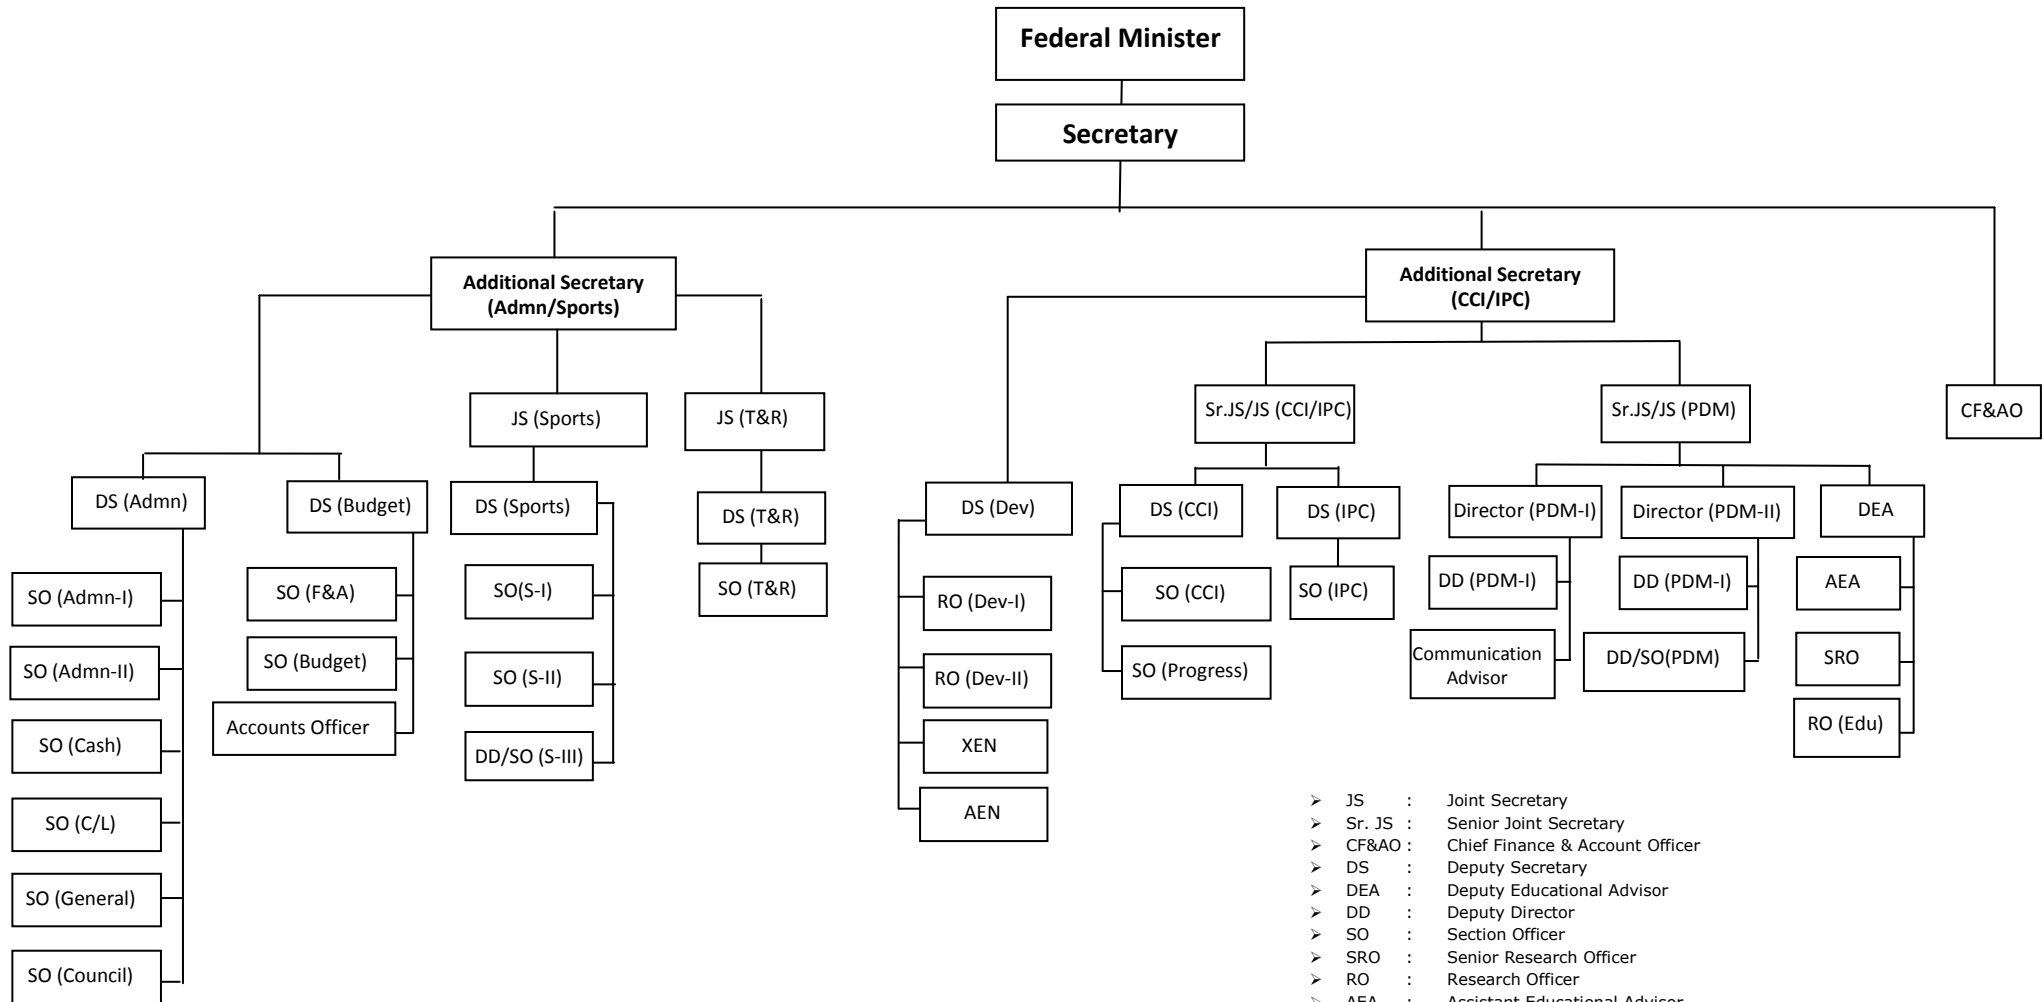

1.2 MISSION

COUNCIL OF COMMON INTERESTS (CCI)

&

INTER PROVINCIAL COORDINATION (IPC) WING

3.1 COUNCIL OF COMMON INTERESTS (A WING OF IPC DIVISION)

The CCI wing of IPC Division acts as a Secretariat of the Council of Common Interest. It was established in March, 2010 in the IPC Division when the Prime Minister of Pakistan approved the transfer of all Secretarial work of the Council of Common Interest from Cabinet Division to IPC Division. This Wing is headed by the Sr. Joint Secretary (CCI/IPC) and is assisted by a Deputy Secretary (CCI) and three Section Officers.

Concept of the Council of Common Interests

2. The Council of Common Interests (CCI) was incepted under the provisions of the Constitution of Islamic Republic of Pakistan 1973. The passage of 18th Constitutional Amendment has strengthened the purview and expanded the role of CCI. The forum is headed by Prime Minister of Islamic Republic of Pakistan. It is an icon of federalism in the Country and provides the Federating units (Provinces) an equal opportunity in the affairs of the federation.

3. In terms of Article 153(1) read with Article 154(2) the President of Islamic Republic of Pakistan appoints the Council on the advice of the Prime Minister of Pakistan within 30 days of taking the oath of Prime Minister. The Council of Common Interests (CCI) is responsible to both the houses of Parliament i.e. Senate and National Assembly. Its report is annually laid before these houses under Article 153(4).

Composition of CCI

4. The Council of Common Interests (CCI) was last reconstituted on August 17, 2017 as under:-

In accordance with Article 154, the Council is responsible to formulate and regulate policies in relation to the matters enumerated in Part II of the Federal Legislative List (FLL) and exercise supervision and control over related institutions. The decisions of CCI are appealable in the joint session of the Parliament.

6. Article 155 of the Constitution extends the purview of CCI on resolution of a dispute among the federation and the federating units of area's government regarding their rights on water from any natural source and authorizes the Federal or the provincial government concerned to make the complaint to CCI. The CCI can either decide or recommend to the President to set up a Commission consisting of a person having knowledge and experience in irrigation, engineering, administration, finance and law under the Pakistan Commission of Inquiry Act, 1956.

7. As regards "Electricity", Article 157 while authorizing Federal Government to construct hydro-electric or thermal power installations in any province in consultation with that province, also authorizes the provincial Government to draw bulk supply from national grid for transmission and distribution within province, levy tax on consumption, construct power houses and grid stations and lay transmission lines and also to determine the electricity tariff within the Province. In case of any dispute between the Federal Government and a Provincial Government in respect of any matter under this Article, any of the said Governments may move the Council of Common Interests for resolution of the dispute.
